

Project Experience **The Customers Always Write...**

"Our people LOVE the sound. One hearing-impaired person told me this is the first time he's been able to hear in our new building."

"Thank you for the fine job, and you can be sure that we would recommend your company to anyone inquiring about such a project."

"You served us very well and with care, and with a quality of workmanship we have not often seen. Thank you for your excellent work."

"Thank you for a job well done. I cannot believe how great a difference the new sound system has made. Your employees were all professional and courteous during installation. It was nice to see that our "100% complete satisfaction" was your #1 goal."

"Thank you for the commendable work you have done in our parish facilities. We feel quite fortunate and blessed by our decision to utilize Sound Planning Associates for these projects, and we look forward to working with you again on future projects. We would be pleased to refer your firm to others at any time. "

"We are very pleased with the new additions to our sound system. It is working well and we have received many compliments from the congregation on the clarity and quality of the sound. Thank you for a job well done."

"Our expectations were exceeded. Please use us as a reference as a more than satisfied customer."

"In this day and age it is unusual and very encouraging to find people who are willing to go about building their reputation on customer satisfaction."

"For the first time in many years we have had worshipers comment as they leave worship, "I heard every word today." Or, "I really appreciate the new sound system. It makes worship so much more enjoyable."

"Your professionalism was the added touch that made a huge difference in the impact of the weekend."
